

October 12, 2016

Dear Parents,

The Conseil scolaire Centre-Nord (CSCN) is conducting a survey on reforms to the governance model from October 17th to October 21st. This survey is one of a series of steps in the consultation process with our community regarding the new governance model having four (4) public and four (4) catholic trustees.

There are two questions in the survey. The first question asks you to determine which group of participants best describes you: A. Public Elector, B. Catholic Elector, Parent who does not meet the criteria as an elector or D. Member of the Francophone community. The CSCN's website offers more detailed descriptions on these four different groups of participants:

<https://centrenord.ab.ca/conseil/rapports/gouvernance>

The second question asks if you support the new proposed governance model, or the current model which is based on the proportions of electors following a census of electors.

The survey is confidential to the extent that you do not have to submit your name or any other information that could identify you. Results of this survey will be compiled and returned to the school board trustees who will include them in their consideration of the project. This consultation is part of an effort to document the position of the CSCN school community in light of a possible change in the way representatives are chosen for the school board.

What? Survey on reforms to the governance model

When? October 17 to 21, 2016

How? Electronic or paper version

Who? All of our parents will be invited by email to participate in this survey. If you have not received an invitation by October 18th, please register by using our online form at

<https://centrenord.ab.ca/conseil/rapports/gouvernance>

If you need more information on the proposed governance model, please visit our website:

<https://centrenord.ab.ca/conseil/rapports/gouvernance>

Thank you for your participation.

Robert Lessard
Superintendent
